"TONY" BARLEON that rock of Re-  
publicanism down in Vinton, has at  
last laid down the pen, to retire to  
the peaceful life to which every worthy  
printer aspires. In the last issue of the  
Vinton County Record he prints his  
valedictory, and his leave taking is in-  
teresting in the extreme. We are sor-  
ry to see Mr. Barleon retire from the  
active duties of the craft. It will be a  
long time before Ohio journalism sees  
another Barleon.  
We congratulate the Republicans of  
Washington county upon the ticket  
named Tuesday. Root, Athey, Ran-  
dolph, and Schnauffer are all tried  
men in the offices for which they will  
stand for re-election. In the years of  
their service they have imprinted their  
abilities and characteristics more firmly  
upon the minds of the people of the  
county, than any newspaper could  
do it. Every man of them is fully de-  
serving of the honor for a second term  
conferred upon him, and the voters of  
old Washington, will, by an unpre-  
cedented majority, attest that fact at the  
polls next November.  
For Sheriff, John S. McCallister, of  
the Fourth ward, is in every sense  
the ideal candidate for the position.  
His term of service as deputy, has  
shown him to be peculiarly fitted for  
the higher office. Of quick decision,  
discriminating mind, and absolutely  
limitless energy, he cannot do other-  
wise than make for himself a proud  
record.  
The entire absence of disaffection  
over his nomination, there having been  
six other candidates in the field, is  
proof positive of his popularity.  
Mr. McCallister is a modest man  
where he is personally concerned, and  
but for his friends, many of his best  
qualities would be unknown. He is  
essentially self-made, and by his own  
unremitting labors, and tireless energy,  
has lifted himself to the place he now  
occupies in the esteem of his fellow  
citizens. His record as a soldier could  
not be surpassed. He was a member  
of Buell's Battery, and as his comrades  
remember him through the long years  
of the war, he was one of the bravest,  
and best among the host of the brave  
and good who wore the blue.  
As he was tried and found true to his  
country in the dark days of the rebelli-  
on, so he has been tried and found true  
in the face of the adversities of civil  
life. His friends rejoice in his nomina-  
tion, though with none but the kindest  
feelings towards his defeated oppo-  
nents.

of Strasburgh rises to a height of 474  
feet.

high as there are days in the year.

sea.  
There are two or three lakes in Col-  
orado more than 10,000 feet above the  
level of the sea.

scends 52 feet in less than a mile; the  
falls are 164 feet high on the Ameri-

descent in the shortest distance of any  
stream. During its course of 120 miles  
it has 27 falls and descends 3,000 feet.

**ONLY ONE BALLOT!**  
Did it Take to Place Six Candidates  
in The Field.  
The Republican County Convention was a  
Short-lived Affair, But It Did Lots  
of Business, and Did It Well.  
At eleven o'clock Tuesday morning,  
the Republican County Convention was  
called to order by Chairman I. R. Rose,  
and the body aforesaid was a surpris-  
ingly large one, too. The day was a wet  
one, but it did not seem to dampen the  
ardor of the Republicans in the county  
who came to see the next winning can-  
didates placed in nomination. The  
Court House was packed to its utmost,  
and standing room was at a high pre-  
mium. It was suggested that the  
crowded condition of the old building  
was a first rate argument for a new  
and larger Court House.  
After the body had been called to-  
gether by Mr. Rose, Mr. J. H. Grafton  
was named as Temporary Chairman of  
the body. Mr. Grafton's taking com-  
mand made a splendid speech, the  
many good points of which elicited  
hearty applause.  
C. E. Athey was chosen Secretary,  
and Mr. S. C. Smithson his assistant.  
Committees on Credentials and Rules  
and Order of Business were appointed,  
and after their reports which were  
satisfactory were accepted, Hon. J. C.  
Preston read the following resolution  
regarding the candidacy of the Hon.  
H. L. Sibley for the office of Circuit  
Judge, this district:  
RESOLUTIONS.  
WHEREAS, in view of his long and  
able services on the Common Pleas  
Bench, and exceptional fitness for  
higher Judicial office, the Bar of Wash-  
ington county requested Hon. Hiram  
L. Sibley to permit the use of his name  
as a candidate before the Circuit Court  
Convention, to be held at Portsmouth,  
June 24, in deference to which Judge  
Sibley consented to become a candidate  
for Circuit Judge, And,  
WHEREAS, the Republicans of Wash-  
ington county heartily approve the  
action of said Bar, and earnestly com-  
mend Judge Sibley to the most favor-  
able consideration of said Circuit Court  
convention.  
THEREFORE, the delegates at this day  
appointed thereto, are hereby instructed  
to give him their undivided support,  
and to use all honorable means to re-  
ceive his nomination as Circuit Judge.  
The next thing in order was the call-  
ing of townships for the names of the  
Central Committee chosen by each at  
the primaries last Saturday.  
Following is a list of the Committeemen:

Nominations were next in order, and  
the first name to go before the Conven-  
tion was that of D. R. Root, for renom-  
ination to the office of Probate Judge.  
Dr. Ballard, of Belpre, extolled the  
virtues of Judge Root in a very neat  
manner, and in a minute from the time  
he was through his speech D. R. Root  
was named by acclamation as the can-  
didate. The Judge was called for, and  
in a very brief speech accepted the  
nomination.  
Next came the nomination for Sher-  
iff, the only office for which there was  
any contest. The names of the follow-  
ing gentlemen were presented to the  
convention:  
C. J. Pfaff, Adams Township.  
George Shapley, Grandview Town-  
ship.  
Benj. Bragg, Muskingum Township.  
Roscoe Wolcott, Watertown Town-  
ship.  
G. R. Goddard, Wesley Township.  
John S. McCallister, Fourth Ward,  
Marietta.  
For the nomination of a candidate it  
required 102 votes, as there were in the  
convention 202 delegates. The result  
of the first ballot was one favorable to  
Mr. McCallister, he receiving 105 votes.  
Later his nomination being made unan-  
imous—the motion going through with  
a whirl. Mr. McCallister was called  
for, and made a short speech of accept-  
ance.  
The ballot was as follows:  
McCallister.....105  
Pfaff.....38  
Bragg.....24  
Shapley.....18  
Wolcott.....10  
Auditor Patterson was next placed  
in nomination, and before you could  
say Jack Robinson, he was shot  
through the blissful enjoyment of a  
re-nomination.  
And so it went. The story of the  
other nominations is but the repetition  
of that of Auditor. In the twinkling  
of an eye John W. Athey was put in  
nomination to succeed himself. John  
Randolph, (not he of Roanoke, but of  
Wesley township), was re-put up for  
Commissioner, and Wm. Schnauffer was  
the choice for Infirmary Director.  
J. W. Lansley made a motion which  
carried providing that the candidates  
nominated, together with the Central

Committee, meet upon call of the  
Chairman of the Executive Committee,  
to select a new executive committee  
for the ensuing year, ten days notice  
of such meeting to be given in the Re-  
publican newspapers of the county.  
Amended by consent of mover: No  
proxies to be voted in said meeting.  
Charles Dyar, of Muskingum town-  
ship, introduced the following resolu-  
tion, which was adopted with enthu-  
siasm:  
RESOLVED, That the Central Com-  
mittee now selected shall take under  
advisement and report at the next  
county convention, one year hence, as  
to the best method of holding primar-  
ies, whether under the Baber Law or  
otherwise; and also whether any better  
method of selecting the Executive Com-  
mittee exists than we now practice; and  
also whether the Executive or the  
Central Committee or candidates with-  
out opposition shall ever have the  
power to select delegates.  
RESOLVED, That they define the  
powers and duties of the Executive  
and Central Committees.  
IN THE OIL FIELDS.  
Sistersville, W. Va., May 25.—The  
largest strike ever chronicled in the  
Dye pool in Washington county, Ohio,  
just opposite Raven Rock, W. Va.,  
twelve miles below this city, is credited  
to Stewart & Co., who got a 15-barrel  
per hour well Sunday afternoon. The  
first reports were that the well was  
making 35 barrels per hour, but the  
Register correspondent has it from a  
very reliable source that the well will  
only make 15 barrels per hour. This  
is the best strike ever made in that  
field, although there are several small  
producing wells in close proximity.  
There is considerable territory in the  
immediate vicinity that as yet remains  
undeveloped, but the parties having  
the lease there will commence at once  
to put down some wells. This well is  
on Sheet's Run.  
The Carter Oil Company are pulling  
the casing from their well just back of  
the depot and will commence spudding  
at their new location just above Rus-  
sell's planing mill about Wednesday.  
They also have the rig material on the  
ground for a well near their stables on  
the South Side.  
The South Pen Oil Company are busy  
piping their wells in the Wick field.  
The well of G. R. Siemaker et al., on  
Cole Lick, is drilling at about 500 feet.  
Shay & McMullen's Dan Weekly No.  
4, out on Indian Creek, came in at two  
o'clock this afternoon and is flowing at  
the rate of 20 barrels per hour. This  
company has been very lucky in get-  
ting some good producers on the Week-  
ly farms lately and if they continue in  
good luck will soon be one of the fore-  
most producers of this field.  
Nelson Peoples and Tom Christy are  
starting a well on the Howell farm  
near Antioch, Ohio.  
The Ideal Panacea.  
James L. Francis, Alderman, Chicago,  
says: "I regard Dr. King's New  
Discovery as an Ideal Panacea for  
Coughs, Colds and Lung Complaints,  
having used it in my family for the  
last five years, to the exclusion of phy-  
sician's prescriptions or other prepara-  
tions."  
Rev. John Burgess, Keokuk, Iowa,  
writes: "I have been a Minister of the  
Methodist Episcopal Church for 50 years  
or more, and have never found any-  
thing so beneficial, or that gave me  
such speedy relief as Dr. King's New  
Discovery." Try this Ideal Cough  
Remedy now. Trial Bottles Free at  
W. H. Styer's Drug Store.  
Rev. C. K. Fankhauser.  
Yesterday at the First Congregation-  
al Church occurred the very interest-  
ing, and impressive ceremony, which  
changed C. K. Fankhauser from a  
plain "Mr." to the Rev. C. K. Fank-  
hauser. The young man is a recent  
graduate of Yale Divinity School, also  
of Marietta College. He is an excep-  
tionally bright and worthy young  
man. In the afternoon of yesterday  
he appeared before the council of the  
Congregational Church for examina-  
tion as to his belief, and general fitness  
for the duties of his high office; and he  
easily filled the requirements. The  
council consisted of Dr. Simpson, Dr.  
Dickinson, Rev. J. G. Smith, J. E.  
Van Der Voort, Geo. W. Hawkins, W.  
M. Coe, and W. W. Coe.  
In the evening Dr. Simpson delivered  
the ordination sermon; a prayer was  
offered for the young minister's spe-  
cial blessing; and after a charge he was  
given the right hand of fellowship.  
He may now go and preach the gospel.  
We predict that he will do much good  
in his exalted work. He has a church  
at Avon, Conn.  
They Want Flowers.  
In behalf of the brave heroes who  
gave their lives for their country the  
Buell W. R. C. earnestly and kindly  
solicit flowers with which to strew  
their graves. The ladies will be in  
their hall at 8.30 o'clock Saturday  
morning to receive them.

ship.

When the free coinage idea shall have  
crystallized into a definite plan of ac-  
tion, and that plan be thoroughly un-  
derstood, a large proportion of its advo-  
cates will return to their respective par-  
ties. Those who want a dollar to be 100  
cents will never harmonize with the  
element that seeks to establish as the  
principal currency of the country a coin  
with a legal tender value of one dollar  
and purchasing power of 50 cents.—
